DECKING & SUBFRAME

Our Decking is a great alternative to traditional wooden decking. It will last for years, so you won't need to constantly maintain and replace it and you'll save yourself money and time.

FENCING

Fences to suit every need, they come in all shapes and sizes. have wide beams that give a solid appearance or narrow beams that will enhance the appearance of your property.

PROFILES

Available in a variety of sizes. Strong, durable and weatherproof. The boards have a smooth and splinter free finish. Strong impact resistance and are maintenance Free.

STAKES

Durable and weatherproof these stakes are widely used in agricultural, fencing and for decking applications, offering superior performance over traditional materials.

BOLLARDS

We've created a range of durable, maintenance free bollards for large and small developments or even for temporary sites. Available in black and brown.
